

## GAS FITTERS WHO HAVE PASSED CGW TEST AND HAVE STATE BOARD OF CONTRACTORS LICENSE

Corinth Gas and Water cannot access contractors' local privilege licenses or current bond information unless they bring us a copy to have on file.

To be licensed by the State Board of Contractors, contractors must submit bond information to the state.

Contractors in **RED** have an expired State Board of Contractors License;

However, sometimes this could be due to the time it takes the state to update the SBOC website.

**The gas fitters are responsible for providing CG&W with updated information to keep our records current!!!**
